

EASY BORDURA

Extra durable steel bed edging

ME

Our Easy Bordura bed edging is a simple and practical solution for separating garden areas. Thanks to its galvanized steel material, it is extremely resistant, durable and blends harmoniously into any environment. The bed edging is quick and easy to install, making it an ideal choice for separating flower beds, lawns and gravel areas.

Benefits

- Perfect solution for separating different parts of the garden
- Quick and easy installation
- Weather-resistant, long-lasting
- Easily variable, adaptable to the design of the garden
