

EXTENSY GREEN

Pull-out nun's grid covered with artificial leaves

Would you like to hide an unsightly wall? This leaf-decorated nun's grille is the perfect solution! It provides privacy when attached to a balcony. Its accordion-like design allows you to customize the size to perfectly fit your needs, making it an ideal choice for walls, balconies or even for creating a stylish divider. An environmentally conscious choice!

Benefits

- Very decorative, you can use it to cover up less beautiful wall surfaces.
- Particularly practical if you want to achieve immediate results: if you don't want to wait for your plant to grow, choose this pre-rolled version.
- When placed on a balcony, it also functions as a privacy barrier, thus maintaining privacy.
- Maintenance-free!
- Decorate with string lights to create a festive atmosphere in your environment!
- The polyethylene leaves are in different shades of green and are of different sizes, creating a more natural effect.
- Its 100% plastic structure ensures a good lifespan.
- Sustainable: 100% recyclable and made from 100% recycled materials.
