

RECYNET BASIC

Woven shade net

3 YEARS · 70 g/m² · HDPE · Recycled 30%

Practical and reliable privacy net. Ideal for quickly and cost-effectively fencing gardens, playgrounds, sports fields or construction sites. Made of durable material, easy to install and an environmentally conscious choice for those who value sustainability.

Benefits

- Easy to install with Nortene Fixatex fasteners
- Reinforced mesh edges for increased durability
- Environmentally friendly: made of 30% recycled PE
- 100% recyclable material, reducing the ecological footprint
- UV-resistant, suitable for long-term outdoor use
- Economical solution for demarcating gardens, sports fields or construction areas
- Provides a discreet, aesthetic appearance thanks to its anthracite color

Characteristics

Material: HDPE
- Color: Anthracite
- Weight: 70 g/m²
- Visibility-restricting effect: 2
- UV-resistant: Yes
- Attachment: with FIXATEX clips or, depending on the type of railing fence, with Bridfix or Fixing cord fasteners, at a minimum density of 50 cm, both vertically and horizontally.

INSTALLATION TIP:
Required quantity of the recommended fastener:
1 x 10 m - Fixatex (20) - 5 packages
1.5 x 10 m - Fixatex (20) - 7 packages
2 x 10 m - Fixatex (20) - 9 packages
1 x 50 m - Fixatex (20) - 21 packages
1.5 x 50 m - Fixatex (20) - 31 packages
2 x 50 m - Fixatex (300) - 3 packages
In windy areas, it is worth fixing the privacy screen more densely for a more secure hold. We recommend that you attach the fasteners to a stake, column or rigid support, such as a balcony railing or net. Privacy screens are not a substitute for a fence, and their use requires a support system of the same height.
