

JUTE

Garden string

You plan to cultivate a 100% natural garden, without chemical treatments or pesticides. Go even further by using 100% natural jute twine to tie and support your fruits and vegetables. The weight of the fruits and vegetables can sometimes break the stems of your plants: jute twine is the eco-friendly solution.

Benefits

Allows you to tie fruits and vegetables. 100% natural.

Characteristics

Presented in skeins. Weight of skein: 50 g. Made in Europe.

Ref.	Size.	Color	Weight	Packaging (pieces)
147011	50 m		50 g	24 pieces
5022879	80 m		100 g	36 pieces
