

MOLE TRAP

Set of 2 mole and vole traps

Moles are ruining your lawn and you don't know how to stop them? Equip yourself with the Mole Trap. This trap should be placed at the entrance of the burrows. The Mole Trap will help you get rid of these animals

Benefits

The "Putange" trap is placed in the freshly dug burrow. Handling is facilitated by the inclusion of a key, which makes it easier to tighten the spring and position the square "tent."

Characteristics

Made of treated metal. Dimensions: 15 cm. Sold in a set of 2 pieces.
