

WILLGREEN

Extendable natural woven willow trellis with polyethylene leaves

Its foliage, highly realistic, is a beautiful decorative item, bringing a touch of greenery to your outdoor space.

Benefits

To instantly decorate a wall, a balcony or create a separation. This extendible natural wicker trellis is covered with green leaves. Greened, it then becomes a decorative panel to cover a unsightly wall. Secured to a balcony, this trellis will be act as a privacy screen and at the same time provide a green touch. A product that is very easy to put in place for an instant result.

Characteristics

Real wicker trellis, natural colour, 30 + 30 stems. Polyethylene leaves, of different sizes in a gradation of green. Leaves firmly held in place by a UV protected green plastic tie.
