

BORDER COLOR

Practical lawn edging with a modern look

The colors of the Border Color blend well with the clean look of gardens and yards. It helps to create aesthetically pleasing pathways, enclose grassed areas, or separate different surfaces.

Benefits

Provides a modern look to the garden.
Easy to install.
Does not obstruct the lawn mower.
Can be used to define grassy areas, flower beds, pathways, or vegetable gardens.
Easily follows the curves and contours of the garden.

Characteristics

Material: PET
Size: 9 x 0.2 m
